

Buy or reload seasonal ski pass from **PAMPOROVO.ME** until 30.11.2022

Go to the official page of the resort - www.pamporovo.me and choose a ski pass for the entire season or a seasonal pass valid for all weekdays (days Monday - Friday) of the Winter Season 2022-23.

When buying a new pass, select the "Voucher" field. If you have a plastic chip pass, you can reload it by selecting the "Reload ski pass" field and filling in its WTP number.

Fill in your credit card details and complete the purchase.

By completion of the purchase, you will receive a receipt and a voucher with a QR code to the email you specified. By reloading a ski pass, you will receive a receipt.

Collect your ski pass at the main sales counters against presenting the voucher via mobile device or on paper.

Main Cash Desks

-  Ski center 1 - Tourist center
-  Ski center 2 - Malina
-  Ski center 3 - Studenetz

-  Ski center 4 - Stoykite
-  Perelik hotel

Important: Purchased ski passes are valid for the 2022-2023 winter season and are valid for all operating facilities in the Pamporovo-Mechi Chal ski area. The ski passes are personalized and cannot be used from another person. Season ski passes can only be received at the main cash desks after the official opening of winter season 2022-23. By reloading a ski pass, it is not necessary to go through the cash desks - the card will be automatically validated. The weekday season ski pass is valid for days from Monday to Friday, as well as when official holidays fall on a weekday.
