General terms and conditions:
The purchased ski passes are valid for all operating facilities in the Pamporovo ski area. A "Select" ski pass can be used as from the official opening of the 2026-2027 winter season until its closure, starting its validation with the first pass through the lift access gates. "Select" multiple day ski passes (2, 3, 4, 5, 6, 7 day ski passes) are valid for consecutive days.
